

REMARKS

At the time the Office Action issued, claims 1-12 were pending.

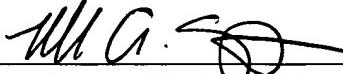

In the Office Action, the Examiner states that the application is in condition for allowance except for correction of formal matters in the claims and drawings. Agent would like to thank Examiner for indicating the allowability of these claims. Agent has made amendments to the claims based on the Examiners suggestions. In addition, 10 sheets of Replacement Drawings are included with this Response. Sheet 2 was amended to show drawing number 202, and Sheet 9 was amended to show drawing number 1104. Agent respectfully submits that the application is now in condition for allowance.

Conclusion

Agent has addressed each and every objection and ground for rejection. The amended claims are patentable over the cited art and Agent requests that the application be allowed. In the event the Examiner has any questions or there are any issues with respect to the application, the Examiner is invited to call the undersigned at the telephone number below prior to the issuance of any written action.

Respectfully submitted,

David B. Campo
